SERVICE PORTFOLIO

Five Core Service Pillars

Five integrated service lines operating on a single, high-reliability delivery platform. Clients may procure individual components or engage ZOBHUNGER for end-to-end managed mandates.

01

Human Resource Solutions

Permanent recruitment, strategic executive search, bulk/campus drives, and structured recruitment process outsourcing (RPO).

02

Contract & Project Staffing

Temporary and project-based workforce deployment under custom on-roll, off-roll, and third-party commercial contracts.

03

Payroll & Compliance

Enterprise-grade salary processing, automated attendance/leave tracking, and EPF/ESIC regulatory administrative filing.

04

Facility Management

Seamless onsite facility operations, including housekeeping, strict security coordination, office support, and pantry services.

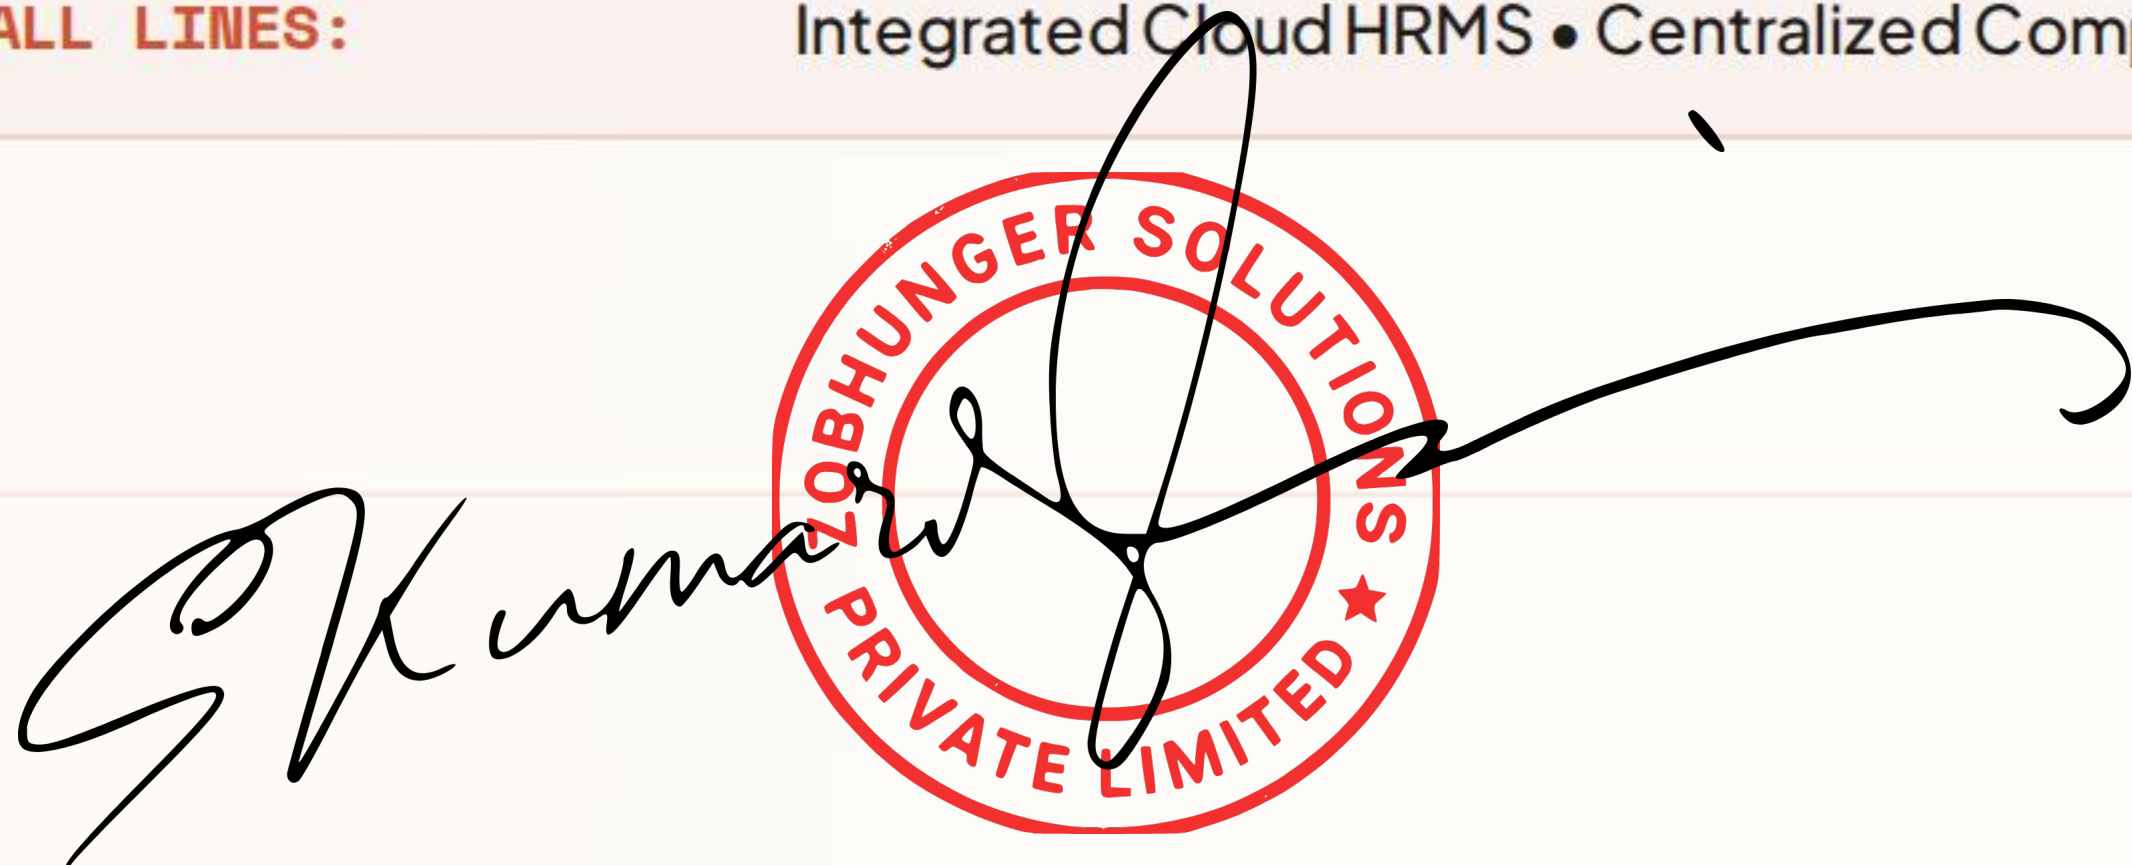

05

Business Support Services

Outsourced merchant onboarding, secure KYC verification, field audits, local surveying, and high-quality customer support/BPO.

SHARED PLATFORM FOUNDATION • ACTIVE ACROSS ALL LINES:

Integrated Cloud HRMS • Centralized Compliance Desk • Consolidated Payroll Engine • Assigned Client SPOC

DEPLOYMENT OPTIONS

Staffing Models

Fixed Remuneration

Standard fixed salary structure designed for permanent or long-term contract roles, established with clear, transparent, and legally-binding compensation terms.

Daily Wage Basis

Daily-rated deployment offering unmatched operational and commercial flexibility for dynamic project-based requirements, emergency support, and seasonal workloads.

Third-Party Payroll

Comprehensive end-to-end payroll administration where deployed resources are held directly on ZOBHUNGER's payroll while performing physical operations at the client's sites.

Project-Based Deployment

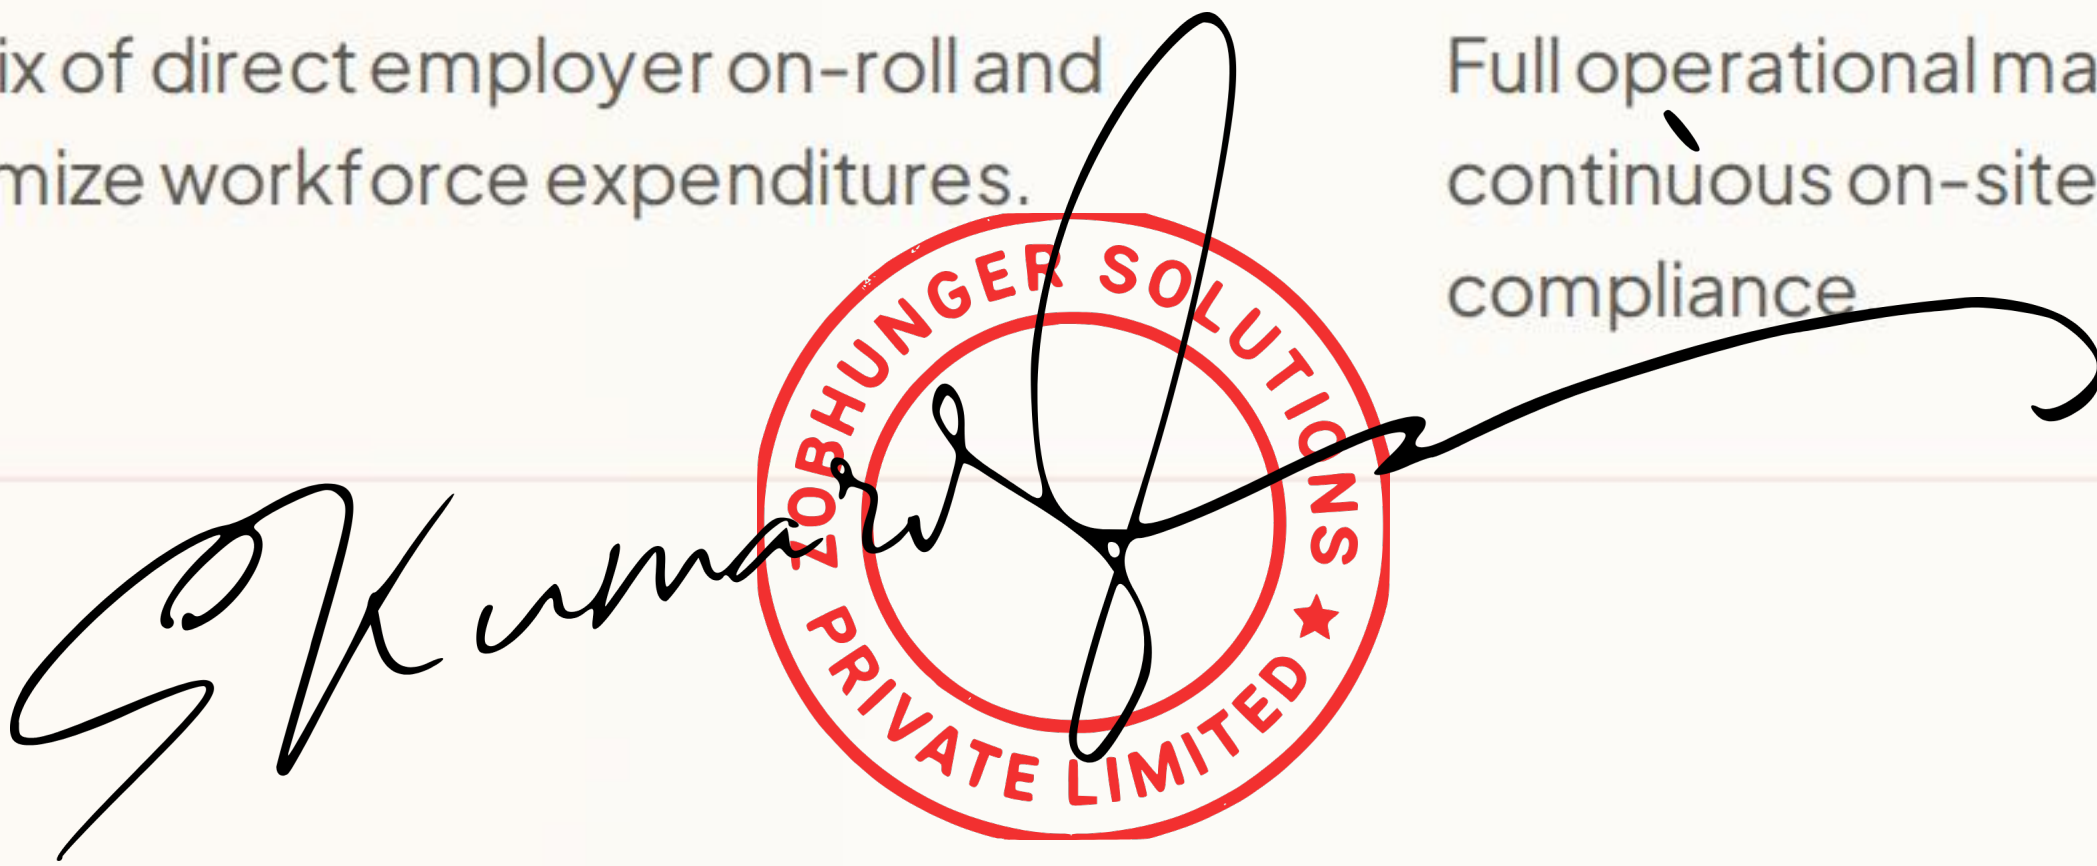

Highly focused, time-bound workforce deployment mapped structurally to specific project milestones, operational phases, and agreed-upon deliverable schedules.

On-Roll / Off-Roll Staffing

Flexible operational models offering a strategic mix of direct employer on-roll and external agency off-roll staffing structures to optimize workforce expenditures.

Outsourced Workforce

Full operational management of independent outsourced teams, including continuous on-site supervision, integrated payroll, performance tracking, and full compliance

CAPABILITY MATRIX

Why ZOBHUNGER

Four robust capability dimensions on which the Company should be assessed against competing bidders in government or corporate procurement.

01 / Standing

Registered Integrity

Solid corporate standing with active registrations and zero litigation history.

- Govt-registered Private Limited
- ISO 9001:2015 QMS standards
- Startup India (DPIIT) & MSME
- Registered on RXIL & Mxchange

02 / Reach

Sourcing & Mobilisation

Wide recruitment networks spanning northern, eastern, and western regions.

- PAN-India service reach
- 4 fully functional operating offices
- Dedicated regional recruiters
- High-speed bulk workforce scaling

03 / Commercial

Engagement Flexibility

Pricing flexibility adapted strictly to tender wage rules and budgets.

- Daily wage or monthly fixed scales
- On-roll and third-party options
- Strict adherence to wage standards
- Transparent commercial structures

04 / Governance

Regulatory Ownership

Proactive compliance management, removing legal exposure for buyers.

- Cloud HRMS platform
- Verifiable, transparent audit trail
- Single dedicated Client SPOC
- Multi-tier escalation model

Combined, these four dimensions structurally reduce the buyer's operational exposure regarding regulatory compliance liability, regional mobilisation risk, and service continuity.

SERVICE GOVERNANCE

Escalation Matrix

We provide a multi-tiered escalation matrix designed to resolve operational, payroll, and recruitment challenges with guaranteed maximum turnaround times.
